INNAA LILLAHI WA INNAA ILAYHI RAAJIUUN!

It is with deep sorrow and grief that we inform our members, supporters and the Afar mass in general, both at home and abroad, that the Afar community in Scandinavia lost their source of inspiration **Hajjia Kadiga Barkat** who died at the age of 80, on Sunday, 10 August 2008, in Stockholm, the capital city of Sweden. Our loved mother Hajjia Kadiga was born in Laamassan and grew up in Assab there she also got married to the late *Al Haj Idriss Jaabir Kekya* to whom she gave birth to four children: *Mariam, Eicha, Jaabir* and *Mohamed-Nur*.

Al ayto' Kadiiga that she also was called, was best known among her acquaintances for her generosity and sincerity. She was greatly respected and admired by the entire Afar Diaspora in Sweden.

The Afar Friends in Sweden would like to convey their deepest sympathy and sincerest condolences to the children, grand children and immediate relatives, of *Hajjia Kadiga Barkat*, living in Stockholm (Sweden), Jedda (Saudi Arabia), Assab (Eritrea), Bure & Logya (Afar National Regional State in Ethiopia), Djibouti (Republic of Djibouti).

May Allah the Almighty Put Her Soul in Eternal Peace.

Yalli yanna kadiigah addunyak tayse akheera yacaayiy teetik raqe ramadah imaan kee sabri yacaay.
